- It's best to use the A64 and leave it at the turning for Flaxton
- Go through the village, over the level crossing and take the second right after the level crossing which is signposted to High Stittenham and Bulmer
- Go to the T junction, turn right and after 200 metres turn left for High Stittenham
- Continue up the hill to the T junction, turn right and go through two open farm gates and we are the first of the two cottages

- You are here - Hoorah!

If applicable, please be nice to your map assistant - the Brush & Boot is a hidden gem, off the beaten track and they did very well.

If you got a bit lost, give us a ring and we'll be more than happy to help you find your way!
